#### KEEP A SCORE OF ANY OF THESE PERFORMANCES

In a normal training session choose one or two of the 19 and again choose to attempt one of the hands and lengths as indicated. Never do all as that skill rating is not my intention of a typical training session.

Observations of skill development is on player capacity to have discipline in

Pre delivery routine

Fundamental factors of delivery are sound

Ease and fluency of delivery

for each of these in the table below and note who else you train with has a 'pb' for set deliveries
